

SALES & MARKETING INTERN

BANGALORE, INDIA

The Scalers is a Indo-French company building great software development teams in Bangalore for companies worldwide.

We are currently looking for a talented Sales & Marketing Intern to join our energetic team of experienced sales and marketing professionals. It is a fantastic opportunity to join a company that places people at its core and to have a real impact on our operations. You will be part of a multicultural team in Bangalore (Indian, French and German) building together the future of the Indian IT Industry.

Role and Responsibilities:

- Inbound marketing related tasks
- Writing Web Copy
- Outbound sales related duties
- Translation of marketing & sales material from Eng>Ger
- Lead generation
- Prospect qualification
- Email communication
- Internet research

Your Profile:

- **You are in business school/university and have a great interest in sales & marketing**
- Experience in managing projects
- Academic or working knowledge of sales & marketing techniques
- Prior work experience through internships or student jobs appreciated
- Experience with Notion appreciated. If not, we will teach you
- Strong problem solving, critical thinking, coaching, interpersonal, and verbal and written communication skills in German and English
- Exceptional at time, task, and resource management skills
- You have an open mind to new cultures and love exciting adventures
- You're adaptable, and take any issue as a challenge
- You enjoy learning new skills by yourself
- Bonus points: if you have worked with international companies
